
Intermediate Architect or Architectural Technologist with REVIT | 5+ Years Experience

Michael Green Architecture is an internationally award-winning practice based in Vancouver, Portland, and Victoria. Our work is recognized for its leadership and innovation in mass timber design as well as socially sensitive and environmentally conscious design. MGA is a mid-sized firm with 25 staff. Current projects include a large sports and culture centre in Sweden, high tech offices in France and New York, innovative mixed-use residential projects in France, the US, and Canada, academic buildings in the US and Canada, as well as custom homes.

MGA is currently seeking an experienced Intermediate Architect or Architectural Technologist with strong Revit skills to support the firm's continued growth. The position supports Michael and our senior design team through all phases of our work, including collaboration and coordination with the design team, clients, consultants, and relevant authorities. This position requires someone who is self-directed and independent with strong collaboration skills and an approachable demeanor. We are a social and collaborative team in an open studio environment.

ESSENTIAL SKILLS AND REQUIREMENTS:

- Architecture degree or Architectural Technologist diploma from an accredited program.
- Minimum 5 years of relevant architectural experience working in Revit on all project phases (concept design through CA).
- Proficiency in Revit modeling.
- Experience setting up and managing complex Revit models for multiple users
- Willing to assist and mentor other team members with Revit-related issues.
- Excellent design and graphic skills.
- Self-motivated; ability to manage time well and work efficiently towards deadlines.
- Excellent written and verbal communication skills, with fluency in English.
- Experience working in the context of multidisciplinary project teams.
- Working knowledge and experience with municipal processes, building codes, and bylaws preferred.
- Strong working knowledge of AutoCAD and Sketchup is preferred.

ADDITIONAL COMMENTS:

- MGA offers a competitive salary and benefits package, and the opportunity to grow with our team in a collaborative, open-office environment.
- All applicants should submit a portfolio with CV or resume and references to jobs@mg-architecture.ca. Please specify job title in the subject line.
- No phone calls, please. Only those selected for an interview will be contacted.
