

SENIOR PROJECT MANAGER

10 YEARS PROFESSIONAL EXPERIENCE OR MORE ARCHITECTURE OR PROJECT MANAGEMENT

Michael Green Architecture (MGA) is a dynamic young design firm with offices in Vancouver and Portland, with an international reputation for industry-leading innovation. Our Portland office is our latest expansion as MGA grows its presence into the United States. MGA has a staff of 25 architects, interior designers, landscape and admin staff. We offer architecture, interiors, planning, graphics services as well as public art and technical research. Our current research projects include our work with wood innovation, tall wood buildings and disaster reconstruction models for urban environments.

We are seeking highly qualified, passionate and driven senior team members with more than 10 years of project management experience leading projects from conception to completion. The successful candidate will have strong design and organizational skills, as well as extensive project management experience. We are a highly collaborative studio and fit with our team will be important to the success of the candidate.

CANDIDATE SKILL REQUIREMENTS

- Architectural or Architectural Technologist degree from an accredited program.
- AutoCAD, MS Office Suite, Adobe Creative Suite and SketchUp skills are mandatory.
- Revit, VRay, Rhino, model-making and hand sketching skills are highly preferred.
- Excellent design and graphic skills
- Self-motivated; ability to manage time well and work towards deadlines.
- Excellent written and verbal communication skills, with fluency in English.
- Experience working in the context of multidisciplinary project teams.

Candidates should be interested in a global perspective of the practice of architecture with a curiosity for solving real world problems. Each member of our team brings their voice to our practice and the meaning of our projects. We are driven by solutions with strong environmental, social, cultural and economic significance to communities.

To apply, please submit the following information to jobs@mg-architecture.ca. We will contact qualified candidates for an interview.

1. Brief cover letter or email with a minimum of the following:
 - A. Indicate the position and post you are responding to.
 - B. Include confirmation of status to work in the Canada.
 - C. Personal interest in this job posting (150 words maximum).
2. Resume
3. Portfolio (PDF – file size less than 10MB) or online portfolio.
We will contact qualified candidates for an interview.
