
Intermediate Interior Designer | 3+ Years Experience

POST DATE: 12/14/18
CLOSE DATE: open until filled
LOCATION: Vancouver, BC

MGA | Michael Green Architecture is an award-winning mid-sized architecture and design firm working on a diverse range of ambitious, sustainable projects both locally and internationally. Michael Green founded the practice in 2012 to create meaningful and sustainable change in building through innovation in construction sciences and design. From our Vancouver studio, our exceptionally talented and experienced staff work on commissions ranging from tiny boutique interiors to large institutional buildings. We are passionate about our goals and strive to be leaders in our community through our work, research, and personal lives, and are always looking to make the best choices for the environment in our projects.

Current projects include a large sports and culture centre in Northern Sweden, high-tech offices in France and New York, innovative mixed-use residential projects across North America, advanced technology buildings in Silicon Valley, and custom homes here in Vancouver and around the world.

We are looking for an enthusiastic **Intermediate Interior Designer** to help support the firm's continued growth. As a self-directed and collaborative member of our team, you will:

- Work closely with our senior design team through all phases of work, including collaboration and coordination with the design team, clients, consultants, and relevant authorities.
- Have the ability to conceptualize and design complex projects from pre-design through construction documents phases.
- Lead the development of presentations using physical and digital tools.
- Be versatile and flexible, participating in all aspects of the practice, including architecture, graphics, wayfinding, branding, and landscape.

REQUIREMENTS:

- Interior Design degree from a CIDA accredited program.
- Minimum of 3+ years of interior design experience across a broad range of project types.
- Exceptional design and graphics skills.
- Self-motivated; ability to manage time well and work efficiently towards deadlines.
- Excellent written and verbal communication skills, with fluency in English.
- Experience working in the context of multidisciplinary project teams.
- Working knowledge of Canadian and International Building Codes.
- Experience producing contract documents in AutoCAD and Revit.
- Experience with design and procurement of interior specification grade finishes, FF&E and lighting
- Working knowledge of Sketchup, Vray, Adobe Creative Suite, Microsoft Suite, and/or other design-related software.
- Experience with wayfinding and graphic design is an asset.
- Collaborative and professional work ethic.

MGA is an equal opportunity employer. We offer a competitive salary and benefits package, and the opportunity to grow with our team in a collaborative and fun, open-office environment.

All applicants should submit a portfolio with CV and references to jobs@mg-architecture.ca. Please specify job title in the subject line. No phone calls, please. Only those selected for an interview will be contacted.
