
Senior Interior Designer | 10+ Years Experience

POST DATE: 02/07/2019
CLOSE DATE: open until filled
LOCATION: Vancouver, BC

MGA | Michael Green Architecture is an award-winning mid-sized architecture and design firm working on a diverse range of ambitious, sustainable projects both locally and internationally. Michael Green founded the practice in 2012 to create meaningful and sustainable change in building through innovation in construction sciences and design. From our Vancouver studio, our exceptionally talented and experienced staff work on commissions ranging from tiny boutique interiors to large institutional buildings. We are passionate about our goals and strive to be leaders in our community through our work, research, and personal lives, and are always looking to make the best choices for the environment in our projects.

Current projects include a large sports and culture centre in Northern Sweden, high-tech offices in France and New York, innovative mixed-use residential projects across North America, advanced technology buildings in Silicon Valley, and custom homes here in Vancouver and around the world.

We are looking for an experienced **Senior Interior Designer** to help support the firm's continued growth. As a self-directed and collaborative member of our team, you will:

- Serve as primary contact with clients, consultants, and relevant authorities on all assigned projects.
- Organize and lead contract negotiations.
- Develop schedules, budget, and forecast resources for the Interior Design team.
- Perform quality control for all project presentation outputs and documentation.
- Write specifications covering interior design matters, including performance of code reviews.
- Have the ability to conceptualize and design complex projects from pre-design through construction documents and contract administration phases
- Work directly and effectively with vendors and contractors
- Lead, coach, and mentor junior and intermediate staff.

REQUIREMENTS:

- Interior Design degree or diploma from an accredited program.
- NCIDQ certification (or working towards it) would be considered an asset
- Minimum of 10+ years of interior design experience across a broad range of project types.
- Exceptional knowledge in design
- Exceptional design and graphics skills.
- Self-motivated; ability to manage time well and work efficiently towards deadlines.
- Excellent written and verbal communication skills, with fluency in English.
- Excellent leadership skills with experience managing and mentoring design team members
- Working knowledge of Canadian and International Building Codes.
- Proficiency with design and procurement of interior specification grade finishes, FF&E and lighting
- Experience producing contract documents in AutoCAD and Revit.
- Working knowledge of Sketchup, Vray, Adobe Creative Suite, Microsoft Suite, and/or other design-related software.
- Experience with wayfinding is an asset
- Collaborative and professional work ethic.
- Valid work status in Canada.

MGA is an equal opportunity employer. We offer a competitive salary and benefits package, and the opportunity to grow with our team in a collaborative and fun, open-office environment.

All applicants should submit a portfolio with CV and references to jobs@mg-architecture.ca. Please specify job title in the subject line. No phone calls, please. Only those selected for an interview will be contacted.
